

Private Equity Internship

Apply for
Procuritas
internship!

In 2017 Procuritas invested in Sofacompany, a designer and online furniture retailer

THE ROLE

- Work in an entrepreneurial environment with close interaction to senior colleagues and top management within our portfolio companies
- Identify and analyze new business opportunities
- Take part of developing Procuritas' portfolio companies
- Full- or part-time until at least end of Spring 2019 with start as soon as possible (or as agreed)

APPLICATION

- Please apply before 21st of October, but as we are assessing candidates on an ongoing basis we encourage early applicants
- Please send your CV, grade transcript and cover letter to recruiting@procuritas.com
- Should you have any questions feel free to contact Shu Sheng +46 (0)70 281 90 26 or at the above email address

YOU

- MSc or BSc (at least 2nd year BSc)
- Genuine interest in businesses, entrepreneurship and investments
- Motivated and independent with analytical and communicative skills
- Relevant work experience is an advantage
- Fluency in English and preferably a Nordic language (SE, DK, NO, FI)

US

- Procuritas is a private equity house focusing on the Nordic mid-market segment
- We have a passion for business and have supported more than 40 companies in accelerating their growth and realizing their true business potential
- We are committed to our portfolio companies and work actively to support them in their journey towards strong and sustainable businesses
